

## Are the e-learning classes better?

Data Analyst: (You)

Client/Sponsor: Myself

### Purpose:

*The project wishes to analyze if the law students of Federal University of Bahia adapted themselves better with the e-learning system or if they prefer the traditional teaching methods, i. e., by attendance on Faculty of Law building, wishing to substantiate the following question: is the e-learning system well-suited and sustainable for following semesters, considering the 2020.1 and 2021.1 semesters, who were done through e-learning?*

### Scope / Major Project Activities:

*What are the major parts of this project? List out the high-level steps, activities, or stages of the project, and give a brief description for each.*

Activity	Description
Survey	Survey about the perceptions on e-learning during 2020.1-2021.1 semesters, to be answered by law students.
Analysis	Analysis of data concerning the survey and both qualitative and quantitative answers
Summarization and visualization	Preparing of tables, reports and graphics to be shared

### This project does not include:

- Analysis before the global COVID-19 pandemics, only about comparative perceptions between the semester before pandemics.
- Other law schools or even Federal University of Bahia's schools.
- Students who graduated before the compulsory e-learning semesters, or between one of them.
